[https://sogc.org/alarm/dates-locations-registra-
tion/index.html](https://sogc.org/alarm/dates-locations-registration/index.html)

Objectives:

Through participation in this program, participants will:

1. Explore select topics in gynecology, focusing on latest developments and optimal patient care, including minimally invasive surgery and complication management.
2. Explore evolving concepts in obstetric management including issues related to marijuana and Zika Virus.
3. Engage in informal discussions with colleagues that will allow for sharing of information and techniques throughout the region.

ASOG Executive:

Shaun Ferguson (President)

Petr Landau (Secretary/Treasurer)

Christa Mullaly (Scientific Program Director)

Scientific Programme Committee:

Leanne McCarthy (NS)

Krista Brown (NL)

Martha Mills (NB)

Michael Fleming (Dalhousie University)

Next ASOG meeting September 2018!
